West Wittering, West Sussex

YOUR TRANQUIL RETREAT - ALL YEAR ROUND

## TESTIMONIAL

We can scan many cards and letters we have received over the years, but here is just one that sums up how our customers generally feel.

Background: Diane and David from Kent bought a holiday home with us and after about two and a half years decided to buy a house and relocate permanently to The Witterings, so gave their holiday home up. This is their card summing up their experience:

17<sup>th</sup> October

Dear Mick

David and I are sad to be leaving our holiday hideaway at Scotts.

The last 2 plus years have been very happy and very enjoyable.

This was made more so by the tranquility

of Scotts and the friendliness and helpfulness of every one at Scotts. Nothing was ever too much trouble and dealt with quickly and efficiently.

We will always have the very fondest of memories from our time at Scotts.  
My kindest regards  
Diane
